Competition Play

Competition play is to be played in Four-Balls, in individual competitions especially in the "A.M." slot, please ensure you book prior to the cut-off period on the Howdidido App.

Pace of Play

At Whittaker Golf Club in line with the R&A 'Pace of Play guidelines and rules the Committee expects all competitors to play 'Ready Golf'. Listed below are some pointers on how this can be achieved by all competitors:

Starting the Round:

To ensure a steady 'Pace of Play', a controlled start and to avoid crowding on the course; competitors playing from the 1st and 10th tee boxes may do so, on your allotted tee time and when it is safe to do so, you no longer have to wait for the 1st/10th green to clear

During the Round - Ready Golf:

- On the Tee – No 'Honour' (except in match play) – the first player ready plays.
- Approach shots – No furthest from the hole – first to reach their ball plays first (if safe to do so!)
- Players should play their own ball before helping to look for a lost ball.
- When not playing your shot, you should be preparing to play your shot.
- Position golf bags and trollies at the exit point of the green, to allow quick movement towards the next tee.

Mark your cards as you walk to or at the next tee while your partners are playing their shots. Ensuring that one of the group tees off without delay.

- Carry an additional golf ball in your pocket.

Rules changes that assist with 'Pace of Play'/'Ready Golf':

- Rule 13 – you can putt/hole out with the flag left in without penalty.
- Rule 14 – drop the ball from knee height.
- Rule 18 – only 3 minutes allowed to search for a missing ball, not 5

Other expectations when playing a Competition Round:

- In the event that your group is playing slowly and, there are others behind waiting to play, you are then required to wave them through.
- If you are in a group that is being held up by the group in front and you wish to play, 'politely' request that your group is allowed to play through.

Detailed below are the expectations of the Committee on how long it should take to complete a round of golf at Whittaker Golf Club. This indicates the time expected to be taken to reach certain points on the course after the first tee shot has been struck:

| Location on Course | Expected Time Taken |
|---|----------------------------|
| Walking off the 6 th tee ('Up the Moor') past the 8 th tee. | 1 hour 10 minutes |
| At and playing from the 10 th tee | 2 hours |
| Walking off/completion of hole 13 | 3 hours |
| Completion of 18 holes | 4 hours 15 minutes |

If you do not meet the timeframe indicated above, then you are considered to have 'lost your place' in the field; and, should allow any group behind that is waiting to play through.

RULES OF ETIQUETTE

You and the people who play with you will enjoy the game of golf much more if you follow these simple rules of etiquette.

Don't move, talk, and stand close to or directly behind the ball or the hole when a player is making a stroke.

Fill in all the holes and footmarks you may make and see that all DIVOTS you may cut up are replaced and pressed down. Ensure you repair all pitchmarks, whether caused by your ball or not.

PLEASE NOTE DUE TO THE EXCESSIVE NUMBER OF DIVOTS NOT REPLACED THROUGH THE OFF SEASON, IF IT IS REPORTED TO THE COMMITTEE THAT AN INDIVIDUAL IS NOT REPAIRING, THEN THEY WILL BE ASKED TO EXPLAIN THEIR ACTIONS.

Don't damage the greens: marks made by your shoes or the flag-sticks may deflect well- aimed putts. Greens are often rather soft so stand well away from the cup and hold the flag so it doesn't mark the green.

Players proceeding from the 9th green have priority over players starting or playing a shorter round, except on competition days.

Please do not endanger Walkers on Public Footpaths.

Mats are compulsory whether you are playing casual/general play/card for handicap/competition golf, to be used in the teeing area and on the fairways, everywhere else play it as it lies.

Bunkers are in play for general play (you are putting a scorecard in)/competition play, but proceed under the following rule: Lift Clean Rake and Place.

Competition Golf qualifying for handicap will be played every weekend subject to weather conditions, namely Dave Smith's Race To The Bar. The rules for the RTTB will be sent separately.
